

# Hugging Face JAX Global Sprint - Special Nominee

Hugging Face congratulates

## Manan Dey

for his outstanding work as part of the Flax Community Event organized by Hugging Face and Google. As a member of the **Sentence-Transformers** team, Manan has shown excellent ability to work independently on complex Machine Learning projects. His team's project was evaluated by leading Machine Learning researchers to be one of the 7 best projects out of over a hundred submissions.
